

## **Alumni Executive Board Expectations**

We are grateful for our alumni who volunteer and give back to their alma mater through service to the Alumni Executive Board and to various alumni events. Their service represents a voice from the greater community of the Wayland Alumni Association and accountability for the office that serves these constituents.

In order to maintain an active, working board that benefits the larger institutional mission, the following guidelines are in place to ensure a positive experience for both the board member and the board as a whole.

As a member of the Wayland Alumni Executive Board, you will be expected to:

1. **Serve a four-year term**, with the possibility one major event  
least one minor event per school year. We understand that extenuating circumstances may arise, but events are calendared far in advance to plan to attend as much as possible. (See attached calendar of events to see exact dates for the school year.)
