If this is an UNDERGRAD class the textbook for this course is part of the Pioneer Academic Access Program. You will have access to an eBook and interactive learning material on the first day of class through your Blackboard course site. If the course requires a physical book you can order at bookstore.wbu.edu. The cost of all your materials are billed to your student account at \$26.00 per credit hour. You can choose to opt out however if you do you will lose access to all classes/materials and have to source through third party vendors. You will be notified via email with access instructions and additional information. If you are in a GRADUATE class you will have an Automatic eBook which is billed directly to your student account or a physical book that can be purchased at bookstore.wbu.edu.

you do not wish to participate in the Automatic eBook program, you will have the first week of class to opt out of the program (additional details will be outlined in your email instructions).

Optional Materials NONE

Course Outcome Competencies

- Relate and understand the subject matter as presented in

- i. Students are allowed to use, reference, or incorporate generative AI tools into specific assignments for this course. When used, students must properly cite the generative AI tool in their submitted work.
- ii. While there is no true substitute for direct help and instruction for your instructor, students may be allowed to use generative AI tools to provide further explanations of course content, readings, and other assignments. Any use of generative AI tools to help further explain or translate content must be properly referenced and cited.
- iii. Specific parameters for generative AI usage are provided by the instructor.
- iv. Any use of generative AI tools outside of the approved instructor parameters will be considered a form of plagiarism and academic dishonesty.
